
P-Card Receipt Submission Requirements

All P-Card holders are required to submit receipts in accordance with the following guidelines. Timely and complete submissions ensure proper coding, audit compliance, and smooth month-end close processing.

General Submission Requirements

- **Submit receipts on the day of the transaction.** Email receipts to receipts@summitlineconstruction.com **no later than the date of purchase.**
- **Use the required email subject line format:** Last Name, First Name | Dollar Amount | Job Number (and Work Order, if applicable).
Example: Smith, Jacob \$125.00 Job 31107000906
- **Submit itemized receipts only.** Credit card receipts showing only the total amount are not accepted by corporate. Receipts must detail all items or services purchased.
- **If using another employee's P-Card,** note the cardholder's name in the email so the transaction can be coded to the correct account.

Meal and Entertainment Expenses

All meal and entertainment charges require additional documentation. The following must accompany each submission:

- **Itemized receipt** showing all individual items purchased, not just the total.
- **Business purpose** — specify the reason for the expense (e.g., business development, recruiting, travel **"provide brief description for travel"**, client meeting).
- **List of attendees** — include the full name and business relationship of each person (e.g., "Jane Doe, Client; John Smith, Vendor").

This information may be written directly on the receipt or included in the body of the submission email.
