
P-Card Receipt Submission Requirements

All P-Card holders are required to submit receipts in accordance with the following guidelines. Timely and complete submissions ensure proper coding, audit compliance, and smooth month-end close processing.

General Submission Requirements

- **Submit receipts on the day of the transaction.** Immediately take a clear photo of your receipt and save it in your phone's camera roll for easy upload later to Visa Spend Clarity (VSC).

****NOTE:** VSC will automatically match your uploaded receipts to the corresponding transactions once they post. After the match is made, review the transaction and add the proper coding. Be sure to include the Work Order number (if applicable) in the Notes section. ******

- **Submit itemized receipts only.** Credit card receipts showing only the total amount are not accepted. Receipts must clearly detail all items or services purchased.
- **If you have a delegate who will submit receipts for you in VSC,** provide them with all necessary receipt images and coding information so they can promptly clear your To-Do list.

Meal and Entertainment Expenses

All meals and entertainment charges require additional documentation. Each submission must include:

- An **itemized receipt** showing all individual food and beverage items purchased (not just the total).
- **Business purpose:** Clearly specify the reason for the expense (e.g., client meeting, business development, recruiting, or meal while traveling for "blank").
- **List of attendees:** Include the full name and business relationship of each person. (e.g., "Joe Smith-Client and John Smith-PM) If the group is larger than 10 people, provide the team or group name instead (e.g., "Region 9 Safety Meeting" or "Region 7 PM Team Builder").

This information may be written directly on the receipt or entered in the Notes section of the VSC app (voice-to-text is available).

Acknowledgement

Please confirm your understanding of these guidelines by scanning the acknowledgement QR Code and completing the knowledge check. This will automatically email your response to the P-Card team.

Questions

Direct all inquiries to your dedicated Regional P-Card Admin, if you are not sure who that is please check at this link. ([link here](#))
